The Certificate for Specialists in Demand Guarantees is a Level 4 qualification registered with Ofqual in the Regulated Qualifications Framework (RQF).

Preparatory Classes for CSDG® Examination

Certificate for Specialists in Demand Guarantees (CSDG®)

We are ready to assist you to pass the CSDG® Examination.

Overview

CSDG® develops practical knowledge and expertise in the use of guarantees including industry rules, legislation and the challenges relating to demand guarantees and standby credits.

The Certificate for Specialists in Demand Guarantees qualification will develop students' understanding in the use of guarantees, industry rules, legislation and the challenges relating to demand guarantees and standby credits.

CSDG® enables students to demonstrate a high level of expertise and improves knowledge and understanding of the complex issues associated with demand guarantee best practice.

Studying CSDG will enable you to understand:

- Demand guarantees – including tender, performance and advance payment
- Indemnities, Suretyships and standby letters of credit and how they compare
- Scope of industry rules including URDG 758 and ISP98
- Parties involved in demand guarantees and their roles and obligations
- Risk issues, including types, control and mitigations
- Impact of external factors including governing law and force majeure

Why Study CSDG®?

- It enables you to demonstrate a level of expertise in Demand Guarantee & Standby Credits that is recognised worldwide.
- It improves their knowledge and understanding of the complex issues associated with demand guarantees best practice.
- It helps develop the skills to apply knowledge in the workplace and to perform at a high level.
- It gives you the right to add the professional designation 'CSDG' after their name for the three year validation cycle.
- **It improves career and promotion prospects.**
